MELBOURNE BRANCH

POSTGRADUATE STUDENT ENERGY AWARDS 2010

**All-Energy Conference & Exhibition
Melbourne Convention & Exhibition Centre**

9:00 am to 5:00 pm Wed 6th & Thu 7th October 2010

The Australian Institute of Energy (Melbourne Branch) is proud to announce that the **2010 AIE Postgraduate Student Awards** will be held in conjunction with **All-Energy Exhibition & Conference** on **Wed 6th & Thu 7th October 2010** at the **Melbourne Convention and Exhibition Centre**.

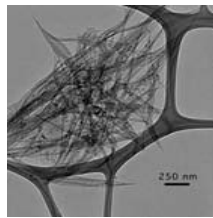

The AIE Postgraduate Awards promote the interaction of postgraduate research students with the energy community in an informal environment and presents AIE members and the public with an excellent opportunity to assess the range and quality of energy research currently under way. Presentations are anticipated from a wide range of research fields: non-technical (social, legal and economic studies) and technical (renewables, fossil fuels, storage, materials, efficiency, design, environment, transport, power).

The poster presentations will be on display throughout the All-Energy Exhibition and students should be available explain their posters in the breaks between conference sessions. A panel of judges will evaluate the students and their displays for the allocation of several awards ranging from \$500 to \$1000 in relevant energy project categories. **The Award winners will be announced in the final session of the All-Energy Conference.**

Student exhibitors will receive an initial complimentary membership of the AIE and award winners will receive a travel allowance to represent Victoria at the AIE National Postgraduate Awards in Adelaide at the AIE National Conference from Monday 15th to Tuesday 16th November 2010.

Entry to the All-Energy Conference and Exhibition is free but pre-registration at www.all-energy.com.au is recommended. No AIE registration is necessary to ATTEND All-Energy but we encourage members to make the most of the free registration available for both the Exhibition and Conference.
