

SAVE THE DATE

2018 AIE ADELAIDE ANNUAL AWARDS DINNER

1 AUGUST 2018

The South Australian Branch of the Australian Institute of Energy (AIE) is the leading energy-focused professional institute in South Australia. The 2018 Awards Dinner offers both AIE members and non-members an opportunity to network with energy industry peers, discuss industry issues and celebrate successes of the energy industry throughout the past year.

FEATURING KEYNOTE SPEAKER

FRANK CALABRIA

Frank Calabria was appointed the Chief Executive Officer of Origin Energy and joined the Board in October 2016. Frank was previously responsible for leading Origin's Energy Markets business which comprises a retail business with a broad range of energy products and solutions and a diverse gas, power generation and renewable energy portfolio. Frank was also Origin's Chief Financing Officer from 2001 to 2009.

Prior to joining Origin, Frank held a number of management positions with Pioneer International Limited, Hanson plc and Hutchison Telecommunications.

Frank is a Director of the Australian Energy Council and the Australian Petroleum Production & Exploration Association and is the former Chairman of Australian Energy Council and a former Director of the Australian Energy Market Operator.
