

# AN AIE EVENING NETWORKING EVENT

## Working To Achieve Energy Policy Reform

### OUR GUEST SPEAKER:

Dr Ray Challen is a member of the governing board of the Economic Regulation Authority in Western Australia. The ERA has several functions in the energy sector including the licensing of businesses, regulation of access to energy infrastructure; compliance and enforcement in the wholesale electricity market; and advising the Western Australian government on the effectiveness of market and policy arrangements.

Prior to joining the ERA, Ray was for five years the Coordinator of Energy in Western Australia and the head of the Public Utilities Office, during which time he led the electricity market reform program of the previous state government.

Ray will discuss his 20 years' experience of energy reform and policy, his experience with regulatory policy and changes in market arrangements.
