

AIE Events in 2003

Melbourne, "Challenges Facing Adoption of Advanced Cycles for Power Generation in Today's Business Climate", Dr David Brockway, Director, CRC for Clean Power from Lignite, 11th December 2003

Brisbane

Australia's Upstream Oil and Gas Industry

Mr Barry Jones, Executive Director of APPEA
10 December 2003

[Presentation](#)

Melbourne

Hydrogen Division
Hydrogen Energy Symposium

Frameworks for Advancement

9 December 2003

Sydney

Sydney Branch Annual General Meeting and Presentation

Designing a Realistic Climate Change Policy With Global Participation

Professor Warwick McKibbin of the ANU
1 December 2003

Melbourne

ANZSES in partnership with AIE

Destination Renewables - Low-carbon Fossil Fuel Technologies

Melbourne Branch AGM

November 2003

Hobart

Luncheon Briefing

Speakers from the Office of the Tasmanian Energy Regulator
and the Office of Energy Planning and Conservation
27 November 2003

Canberra

Hydrogen Division

Hydrogen Study Meeting

Andreas Luzzi and John Soderbaum, two of the study authors
24 November 2003

Perth

Electricity Reform Implementation Unit

Mr Steve Edwell – Executive Director, Electricity Reform Implementation Unit
20 November 2003

[Presentation](#)

Newcastle, Site Visit and Branch AGM, CSIRO Energy Centre, - 13 November 2003

Sydney, Half-day Symposium: Hydrogen. 12 November, 2003

Cairns, 12th International Conference on Coal Science - , 2-6 November 2003
Hosted by AIE

Adelaide, Hydrogen Division, "Hydrogen Technology for Energy and Economy", Dr John Carras, CSIRO Energy Technology
Thursday 30 October 2003

Melbourne, Site Visit & Discussion – Ceramic Fuel Cells Ltd. , April 2002, April 2003, July 2003, Oct 2003

Perth, Luncheon Presentation by Mr Tony Pytte - Project Director - Sasol Chevron, GLOBAL TRENDS IN TRANSPORT FUEL
TECHNOLOGY 16-October 2003

Presentation Paper

Perth, Luncheon Presentation by Professor Phil Jennings - Murdoch University, 27 August 2003
Fuels For the Future - A presentation on the interim Report of the Transport Energy Strategy Committee

Adelaide, Ms Renee Klimczak General Manager Retail TXU "The Energy Retail Market – a TXU perspective" Thursday 28 August
2003

Tasmania TWO CONTINENTS, SAME CHALLENGES: ISSUES IN ELECTRICITY MARKET REFORM Presented by Dr. Fereidoon P.
Sioshansi, President of MENLO ENERGY ECONOMICS and Editor of EEnergy Informer AUGUST 2003

Sydney, HALF-DAY SYMPOSIUM DEMAND SIDE MANAGEMENT – Is Air Conditioning the only Sinner? August 2003

Brisbane, Site visit to the Rocky Point Sugar Mill to inspect the recently commissioned Cogeneration Plant and facilities. August,
2003

Melbourne, THE GREEN BUILDING 60L, Thursday 24 July 2003, 4pm-6pm 60 Leicester Street, CARLTON

Sydney, lunch time presentation by David Williams of Epic Energy. "The Dampier to Bunbury Natural Gas Pipeline (DBNGP)
Access Arrangement - Implications for National Energy Regulation". July 2003
Sydney, Hydrogen a National Challenge, July 2003

Adelaide, Dr David Blight, Executive Director Division of Minerals & Energy Primary Industries & Resources SA "South
Australia's Future Energy Resources – Beyond 2020, July 2003

Adelaide, Mr David Swift, Associate Director National Electricity Code Administrator "The National Electricity Market - where to
next", June 2003

Brisbane

Biofuels in today's market and

***WA regulator's final decision on Epic Energy's Dampier to Bunbury Natural
Gas Pipeline***

23 June 2003.

[Report](#)

Perth, Hydrogen Division, Simon Whitehouse, WA Dept. for Planning and Infrastructure - Perth Fuel Cell Bus Trial
June 03

Adelaide, Mr Ian Little, Managing Director Envestra Ltd", Envestra – growth versus regulation – the challenges" May 2003

Perth, Luncheon Presentation by Mr David Williams - Epic Energy, 29-May 2003

Melbourne, Environment Industry Dinner, Thursday, 5 June 2003. The Honourable John Thwaites, Minister for Environment and Minister for Water, and Mick Bourke, Chairman EPA
Melbourne, THE PARER REPORT – WHAT DOES IT MEAN TO VICTORIA?, The Hon Warwick Parer, John Marshall, Roger Oakley, Charles Popple, Caryle Demarte, May 2003

Broome, Hydrogen Division, Prof. T. Nejat Veziroglu, International Association of Hydrogen Energy, May 03

Sydney, Hydrogen Division, Dr John Wright, CSIRO Energy Transformed Flagship May 2003

Melbourne, Site Visit & Discussion – Ceramic Fuel Cells Ltd. April 2002 April & July 2003.

Adelaide, The Mobil Adelaide Refinery, March 2003

Tasmania, BIOENERGY DEVELOPMENTS: Learnings from Scandanavia and the United States MARCH 2003

Melbourne, Alternatives to Landfill Disposal and the Eastern Creek UR-3R Facility March 2003

Brisbane

Hydrogen Division Meeting

27 February 2003

[Report](#)

Brisbane

Energy Issues and WEC Program

Murray, World Energy Council (WEC)

10 February 2003

[Report](#)

Perth, Luncheon Presentation by Mr John Van Brunt - Dampier Nitrogen Pty Ltd (220 attendees) February 2003
Presentation

Hydrogen Association General Meeting (Melbourne) February 2003
