

AIE Events in 2009

Adelaide

2009 Revisited - A Quantum Shift in Energy Regulation
Review of the many regulatory and legislative changes

Jeremy Schultz - Partner Energy Law at Finlaysons
10 December 2009

Newcastle

Presentation, AGM and dinner

AIE Newcastle Branch Annual General Meeting

3 December 2009

Perth

Luncheon meeting and presentation

WA Energy Market Study

Brad Page — CEO, Energy Supply Association of Australia
30 November 2009

Melbourne

Australian Institute of Energy Melbourne Branch AGM

Sustainable Energy in the Second Decade of Docklands

David Young - General Manager Project Planning and Innovation, VicUrban
25 November 2009

Brisbane

32nd AIE Annual General Meeting and Brisbane Branch Meeting

Integration of Renewable Energy in Power Networks

Greg Nielsen - Acting Assistant Director-General, Queensland Office of Clean Energy

Large Scale Commercial Solar Power Stations and their Implementation in Australia

Christian Bindel - Phoenix Solar
24 November 2009

Perth

Geothermal Energy comes to Perth

Dr Jörg Baumgärtner – Green Rock Energy
16 November 2009

Adelaide

AGL's Expanding Investment in Renewable Energy Generation

Jeff Dimery - Group General Manager, Merchant Energy, AGL
12 November 2009

Melbourne

Energy Investment in a carbon regulated world!

Steve Edwell - Chairman of the Australian Energy Regulator
11 November 2009

Melbourne

YEP Intelligent Network Symposium

The Empowering Potential of an Intelligent Network: What the Future May Hold
5 November 2009

Sydney

AGM & Evening Presentation

Developing Coal Seam Methane – Challenges & Opportunities

Roland Sleeman - Chief Commercial Officer, Eastern Star Gas

[Presentation](#)

Craig Chambers

[Chairman's Annual Report 2009](#)

2 November 2009

Melbourne

YEP Intelligent Network Symposium

Current Projects and Policy Initiatives: Smart Cities and Clever Meters

22 October 2009

Adelaide

Luncheon meeting

Energy Technology Perspectives for Transport

Professor Tony Owen, Santos Professor of Energy & Resources, UCL School of Energy & Resources, Adelaide

15 October 2009

Sydney

Technical Meeting

"What is Happening with Renewables in NSW?"

Dr Yolande Stone - Director of Policy, Planning Systems and Reform,
NSW Department of Planning

Andrew Durran - Executive Director, Epuron

[Presentation](#)

Patrick Ibbotson - Partner, Blake Dawson

[Presentation](#)

Paul Newman - Partner, Blake Dawson

[Presentation](#)

6 October 2009

Melbourne

'Shell Australia's Biofuels Agenda'

Mark Gerhardy - Biofuels Manager, Shell Australia

Presentation

23 September 2009

Hobart

Lunch time meeting

Solar Hot Water Options

Chris Atkins

15 September 2009

Adelaide

Luncheon meeting

The New Australian Energy Market Operator - Past, Present & Future

Matt Zema - CEO, Australian Energy Market Operator

10 September 2009

Sydney

Evening Presentation

"Building Energy Efficiency and the NSW ESS"

David Hemming (ex NSW Dept of Water & Energy)

[Presentation](#)

Christallo Kouris (Fletcher Insulation)

Steve Franetic (Fletcher Insulation)

[Presentation](#)

7 September 2009

Perth

9th Energy in Western Australia Conference 2009

"Challenging Times"

Sheraton Perth Hotel

This year's Energy in Western Australia Conference focussed on the energy industry's rapidly changing 'big issues', such as the global financial crisis, carbon emissions trading, supply constraints, customer response to rising retail prices, new market demands and renewable energy.

26 - 27 August 2009

Sydney

YEP 2009 August Seminar

"Emerging Technologies in the Energy Sector"

Dr Justin Blows - Patent Attorney, Griffith Hack

"The shadowy world of Hybrid vehicle IP"

Guy Pross - Director Government Affairs, Better Place Australia

"Electric Vehicles"

Stuart Weylandsmith - CEO Oceanlinx

"Wave Power Generation"

Christopher Short - Manager, Economics & Regulation,
Global Carbon Capture and Storage Institute

"Carbon Capture and Storage"

26 August 2009

Melbourne

Financing New Energy in the 21st Century

Tony Wood - Director, Clean Energy Program, The Clinton Foundation

25 August 2009

Hobart

Royal Society of Tasmania, in association with
Australian Institute of Energy Tasmania Branch,
Australia and New Zealand Association for the Advancement of Science &
University of Tasmania

Winter Lecture Series 2009

Tasmania's Energy Future

Alternatives to Oil for Transport

Mark McKenzie - RARE Consulting

Demand Side Management of Electricity

Dr Martin de Groot - CSIRO

Socio-economic Aspects of Future Energy Needs

Assoc. Prof. Graeme - University of Tasmania

18 August 2009

Adelaide

Luncheon Meeting

Energy Policy: Opportunities and Challenges

The Hon Patrick Conlon MP - Minister for Energy

13 August 2009

Sydney

ERAA Retail Energy Market Briefing

Supported by Australian Institute of Energy

The Expanded Renewable Energy Target: Can our markets cope?

Professor Ross Baldick - The University of Texas at Austin

David Swift - Executive GM - Corporate Development Australian Energy Market Operator (AEMO)

Cameron O'Reilly - Executive Director, ERAA

[Presentation](#)

10 August 2009

Perth

Public Forum

Presented by Engineers Australia and Australian Institute of Energy

"Electricity Options for the Future"

Where will WA's power come from? A discussion with the experts

Three speakers made presentations in the areas of Coal, Gas and Renewable Energy.

Renewables - **Barry Lake** - Senior Principal Consultant, WorleyParsons

Coal - **Charles Martelli** - General Manager Marketing, Griffin Energy

Gas - **Jason Waters** - General Manager Trading and Fuels, Verve Energy

5 August 2009

Melbourne

"Energy Opportunities and Challenges Facing Victoria"

Professor Frank Larkins - Chief Scientist Energy, Dept of Primary Industries

[Presentation](#)

28 July 2009

Newcastle

Evening Networking Drinks and Information session

"Young Energy Professionals Hunter Launch"

Dr David Nicolson - Clean Energy Innovation Centre

23 July 2009

Hobart

Winter Lecture Series 2009

Tasmania's Energy Future

Future Energy Options for Hydro Tasmania

Dr Mike Connarty - Hydro Tasmania

Ocean Power -Waves and Tides

Dr David Griffin - CSIRO

Wind Power in Tasmania

John Titchen - Roaring 40's

21 July 2009

Perth

Taking Stock: Western Australia's Electricity Market – 3 years on

Allan Dawson – CEO Independent Market Operator

[Presentation](#)

21 July 2009

Adelaide

Epic Energy - Developing long term gas supply options for South Australia

Steve Banning - Managing Director, Epic Energy

9 July 2009

Sydney

"Solar-thermal energy conversion and storage are viewed widely as key platforms for clean and renewable energy resources of the near-future"

Christopher Sorrell - UNSW

Artur Zawadski - Wizard Power

6 July 2009

Sydney

BP Statistical Review of World Energy

Mr Christof Rühl - Group Chief Economist, BP

[Presentation](#)

26 June 2009

Melbourne

A Power Generator in Every Home?
Commercialisation of ceramic fuel cells

Brendan Dow - Managing Director, Ceramic Fuel Cells Limited

Presentation
26 June 2009

Brisbane

BP Statistical Review of World Energy

Mr Christof Rühl - Group Chief Economist, BP

25 June 2009

Sydney

Young Energy Professionals Forum

"International Climate Policy and Australia's Energy Future"

What will the Copenhagen negotiations mean for our energy future?

18 June 2009

Hobart

Winter Lecture Series 2009

Tasmania's Energy Future

Overview of Tasmania's Energy Sector

Patrick Burke - Australian Institute of Energy

Weather's Role in Tasmania's Energy Sector

Ian Barnes-Keoghan - Bureau of Meteorology

The Role of Natural Gas in Tasmania

Fraser Kirkpatrick - Tasgas

Geothermal Potential in Tasmania

Roger Lewis - Kuth Energy

16 June 2009

Melbourne

Young Energy Professionals

Large-Scale Solar Energy Technology in Victoria

Dr Adrian Panow - Director of Energy Investment, DPI Victoria

[Large Scale Solar Electricity Generation Initiative](#)

Geoff Wearne - General Manager, WorleyParsons Power

Paul Gizinski - Product Engineer, Solar Systems

11 June 2009

Adelaide

Four Years On – from Regulator to Regulated

Lew Owens - CEO and Director, ETSA Utilities

11 June 2009

Perth

Luncheon with Presentation

Subsurface characterization and monitoring: reducing risk in energy and environmental projects

Joint Presentation by Mr Tim Shanahan and Prof David Lumley

[Presentation](#)

10 June 2009

Sydney

"Intelligent grids, Smart meters and the Home of the Future"

Included tour of EnergyAustralia's new Energy Efficiency Centre

Brad Gammons - Vice President, IBM Global Energy & Utilities

[Presentation](#)

Jamal Cheema - Program Manager, Intelligent Distribution, EnergyAustralia

[Presentation](#)

1 June 2009

Melbourne

Luncheon Presentation

The Climate Change Regulation that we Really Need

Kenneth Davidson

28 May 2009

Brisbane

Evening Presentation

Energy from Coal Bed Methane

Steven Hennings - Norwest Questa Engineering Corp., Colorado

[Presentation ©](#)

Copyright Coal Gas Drilling and Completions - Not to be reproduced without permission

Dr Paul Massarotto - The University of Queensland

[Presentation](#)

26 May 2009

Perth

Luncheon Presentation

Carbon Sequestration – the Challenges Ahead

Dr Jim Underschultz - Leader of Exploration and Appraisal, CSIRO

Petroleum

[Presentation](#)

20 May 2009

Sydney

Half-day Symposium

Energy Industry Carbon Challenges: What's Ahead? - Compliance, Adaptation, Forecasts, Innovation

Simon Smith – Deputy Director General, Department of Environment & Climate Change

Jenny Mee – Partner, Middletons

Jonathan Upson – Infigen Energy (formerly Babcock & Brown Wind partners)

Jim Snow, Partner - Oakley Greenwood

Mark Johnston, Head of NEM Development, NEMMCO

Kym Lennox - Principal Consultant, The Tipping Point Institute

Wrap-up – Greg Joffe – Principal, The Nous Group

[Presentations](#)

19 May 2009

Adelaide

Energy Procurement Strategy – Taking Control of Your Own Destiny

Michael Williams (Adelaide Brighton Cement)

14 May 2009

Sydney

Young Energy Professionals Workshop

"Contract Law for Dummies"

Jade Ng and Daniel Murnane - Corporate Group, Gadens Lawyers

29 April 2009

Hobart

Residential Scale Energy Services and Demand-Side Management

Dr Martin de Groot - Senior Research Scientist, CSIRO

29 April 2009

Melbourne

The New Economics of Power

Peter Jones OBE

20 April 2009

[Presentation](#)

Adelaide

Clean Energy – Perspectives of a major Gas Producer

Mike Congreve - Manager Carbon Business, Santos

9 April 2009

Sydney

"The Global Carbon Capture and Storage Institute"

Nick Otter

"The New Economics of Power"

Peter Jones, OBE

[Presentation](#)

"Carbon Capture & Storage"

Richard Hunwick

Presentation

6 April 2009

Sydney Branch

Young Energy Professionals

The Great Energy Debate 2009

That Carbon Trading will solve Climate Change

26 March 2009

Melbourne

Current Status of LNG Projects in Australia and implications for domestic gas

Gordon Ramsay, UBS Investment Bank

19 March 2009

Adelaide

Luncheon Meeting

Status of Energy Retail Market in South Australia

Pat Walsh - Essential Services Commission of South Australia (ECOSA)

19 March 2009

Perth

Luncheon Presentation

Warro Tight Gas Project

Stephen Keenihan, Managing Director, Latent Petroleum

19 March 2009

Presentation

Brisbane

Evening Presentation

Geothermal Energy – base load power from hot rocks

Gerry Grove-White - Managing Director, Geodynamics Ltd

Presentation ©

Copyright Geodynamics Ltd - Not to be reproduced without permission

Professor Hal Gurgenci - Interim Director, Queensland Geothermal Energy, Centre of Excellence

09 March 2009

Sydney

Evening Presentation

The Better Place project - renewable energy powered electric vehicles for Australia

Chris Cormack - Manager Carbon and Renewables, AGL Energy

02 March 2009

Melbourne

Electric Vehicle Show and Tell and

The outlook for electric vehicle technology applications in Victoria.

Peter Carpenter - National Manager Product Training, Toyota Australia

Dr Peter Pudney - Senior Research Fellow, University of South Australia
Guy Pross - Director Government Affairs, Better Place Australia
Justin Harding, - Public Liaison Officer, Australian Electric Vehicle Association
25 February 2009

Sydney

Meeting of the Four Societies

An industry update on global nuclear power and the opportunities for Australia

Dr Selena Ng - Areva NC, Australia
25 February 2009

Adelaide

Luncheon Meeting

Oil from Algae - SA taking the lead through the Future Fuels Consortium

Assoc Professor Rob Thomas - Chief, Sustainable Systems, South Australia Research and Development Institute.

19 February 2009
