

AIE Events in 2010

Adelaide

Rule Making in Liberalised Electricity Markets

John Pierce - *Chairman, Australian Energy Market Commission*

09 December 2010

Sydney - YEP

Carbon Reduction Schemes: What Do They Mean For Us?

YEP 2010 December 1 - Seminar

Matt Harris, Head of Climate Change - Frontier Economics - [Presentation](#)

Brian Spalding, Commissioner AEMC

01 December 2010

Melbourne

Melbourne Branch AGM

What's hot in Victoria – energy policy, smart meters, large solar, and more

Dr. Adrian Panow - *Director of Energy Investment, Victorian Govt.*

Damien Moyse - *Energy Projects and Policy Manager, ATA*

24 November 2010

Adelaide

AIE National Conference 2010 - Australia's Energy - Next Generation

14 - 16 November 2010

[Conference Photos](#)

[Presentations](#)

Adelaide

AIE 33rd Annual General Meeting

15 November 2010

Sydney

AGM & Evening Presentation

Energy Efficiency in the UK

Graeme Cuthbert - *Head of Energy Security at UK Department of Energy and Climate Change*

1 November 2010

Sydney

NSW Gas Future 2010: Big Changes Ahead?

Half-day Symposium

18 October 2010

Adelaide

Navigating the Short Term Trading Market for Natural Gas

Tanya Denning - *Senior Associate, Blake Dawson*

Sydney

2010 NSW / ACT Post Graduate Student Energy Awards

12 October 2010

Melbourne

All-Energy Australia Exhibition and Conference

6 - 7 October 2010

Perth - YEP

The Future of Energy in WA

Hon. Peter Collier - *Minister for Energy, Training and Workforce Development*

Doug Aberle - *Managing Director, Western Power*

David Parker - *Government & Public Affairs Manager, Apache Energy*

29 September 2010

Canberra

US Energy & Climate Policy and Implications for Australia and the World

Perry Sioshansi - *President, Menlo Energy Economics & Editor & publisher, EEnergy Informer San Francisco, California*

24 September 2010

Perth

Energy in WA Conference 2010

21-22 September 2010

Adelaide - YEP

Winter Learning Series

Power to You: From the generator to the customer

Scott Connel - *Senior Business Development Manager, ElectraNet*

Everything you ever wanted to know about gas

Electricity Market Fundamentals

Tanya Denning - *Senior Associate, Blake Dawson*

Session 1 - 19 July 2010

Session 2 - 16 August 2010

Session 3 - 20 September 2010

Brisbane

Commercial Building Disclosure (CBD)

Mark Davis - *Director, Commercial Building Disclosure, Australian Department of Climate Change and Energy Efficiency*

16 September 2010

Adelaide

Old Tricks Applied A New Way: *Developing Unconventional Resources*

Mark Pitkin - *Beach Energy*

9 September 2010

Sydney

Energy Options for Developed Countries: *making choices*

Dr Adi Paterson - *CEO, ANSTO*

31 August 2010

Melbourne

Australian LNG Outlook - *Opportunities and Challenges*

Dr Graeme Bethune - *CEO, EnergyQuest*

25 August 2010

Perth

Nuclear - *the Elephant in the Energy Room*

Dr Erica Smyth, Ian J Duncan, Dr B J Green

12 August 2010

Adelaide

Australian LNG in the Global Market - *Luncheon*

Graeme Bethune - *CEO, EnergyQuest*

12 August 2010

Melbourne

Victoria's Energy Future

The Victorian Government's energy vision for the future

Dr Richard Aldous - *Deputy Secretary, Dept. of Primary Industries, Victorian Government*

28 July 2010

Sydney

The Photovoltaic Market Development - *An Insider's View*

Innovations in photovoltaic research using cutting-edge microscopy

David Jordan - *Director of Business Development for the UNSW Engineering Faculty and Chair of BT Imaging Pty Ltd.*

Leigh Stephenson - *Research Associate at the Australian Centre for Microscopy and Microanalysis*

21 July 2010

Adelaide

Energy Plays- *What is new in the mix?*

Barry A Goldstein - *Director, Petroleum and Geothermal, PIRSA*
8 July 2010

Perth - YEP
Launch of the WA Young Energy Professionals
30 June 2010

Newcastle West - YEP
Smart Grids and Energy Efficiency in the Hunter
A networking event brought to you by Young Energy Professionals and Young Engineers Newcastle
28 June 2010

Sydney
The BP Statistical Review of World Energy 2010
Christof Rühl - Group Chief Economist, BP
25 June 2010

Melbourne
Demonstrating Carbon Capture & Storage
Mr Dale Seymour - Senior Vice President - Strategy, Global CCS Institute
Mr Barry Hooper - Chief Technologist, CO2CRC
Dr Erik Meuleman - Senior Project Manager, CSIRO
18 June 2010

Perth
Carbon Capture and Storage in the South West
Dominique Van Gent - Dept of Mines & Petroleum WA
15 June 2010

Adelaide
Natural Gas - Australia's Next Energy Advantage
David Knox - CEO and Managing Director, Santos Limited
10 June 2010

Melbourne - YEP
Energy Efficiency
What's McKinsey On About?
Peter Steele - Moreland Energy Foundation
Anthony Williamson - Department of Primary Industries
Rob Murray - Leach - Energy Efficiency Council
27 May 2010

Perth
Hydrocarbons – the Evolution and Revolution of an Industry

Jack Kerfoot - Murphy Oil

27 May 2010

Melbourne

"What noise do wind turbines make?"

The view of a wind turbine noise and noise modelling specialist from Europe, Eric Sloth of Suzlon.

Erik Sloth - Senior Specialist, Suzlon Blade Technology

7 May 2010

Sydney

"What noise do wind turbines make?"

The view of a wind turbine noise and noise modelling specialist from Europe, Eric Sloth of Suzlon.

Erik Sloth - Senior Specialist, Suzlon Blade Technology

6 May 2010

Brisbane

Solar Energy: Our Future?

Public Lecture & Forum: Solar Energy in Queensland, 2010

Dr Yogi Goswami - Co-Director of the Clean Energy Research Centre at the University of South Florida

5 May 2010

Melbourne

Sustainable Coal for Our Grandchildren?

Dr John Topper - MD International Energy Agency, Clean Coal Centre

CEO of the Operating Agency for the IEA Green House Gas R & D

30 April 2010

Adelaide - YEP

Torrens Island Power Station Tour

29 April 2010

Sydney

Sustainable Sydney 2030

Moving Sydney Towards a Low Carbon Decentralised Energy Future

Allan Jones MBE, I.Eng, FIET; FRSA - Chief Development Officer, Energy and Climate Change, City of Sydney

28 April 2010

Perth

What is the Government doing to my gas contract?

Matthew Bowen - Partner, Jackson McDonald

14 April 2010

Adelaide

Fuelling Australia in 2020 to 2030

Grant King - Managing Director, Origin Energy

8 April 2010

Sydney

Symposium
Renewable Energy in Europe and Australia
24 March 2010

Melbourne
Renewable Energy in Europe and Australia

Mr Alfredo Picano - Italian Trade Commission

Mr Michael Williamson - Principal Strategic Adviser, Sustainability Victoria
25 March 2010

Perth
The APEx Asia-Pacific Regional Meeting Breakfast with the Western Australian Energy Industry
A breakfast with international speakers
17 March 2010

Adelaide
Renewable Energy - Transmission is part of the solution

Ian Stirling - Chief Executive Officer, ElectraNet
11 March 2010

Melbourne
Energy Down Under Seminar
Power, heating and cooling from the energy just under our feet

Dr Don Payne - University of Melbourne

Dr Adrian Williams - ex Geodynamics

Dr Mirek Piechowski - Meinhardt Consulting

Simon Molesworth AM QC - Greenerth

11 March 2010

Sydney
ERAA Retail Energy Market Briefing

Professor James L Sweeney - Professor of Management Science and Engineering,
Director Precourt Center for Energy Efficiency, Stanford University

Edwin D. O'Young - Principal, Port Jackson Partners Limited

Cameron O'Reilly - Executive Director, ERAA and Fulbright Professional Scholar in Australia-US alliance studies
2 March 2010

Perth
Strategic Energy Initiative

Bill Moody - Premier Coal

Gary Jeffery, Barry Lake - Worley Parson

24 February 2010

Melbourne
The implications of carbon emissions trading on the Australian aluminium industry

Tim McAuliffe - General Manager Carbon Strategy, Alcoa

23 February 2010

Brisbane

AGM & Seminar

Energy and the City: Sustainable cities

Peter Casey - Principal Engineer, Energy Efficiency; Brisbane City Council

Peter James - Ecological Sustainable Development Leader; Arup

23 February 2010

Adelaide - YEP

What a bunch of fuels! fossil fuels should be abandoned for smarter alternatives

The evening will also feature an opening address by the **Hon. Patrick Conlon MP**, Minister for Energy and live music by the Happy Leonards

18 February 2010

Sydney

The Current State of Development of Electricity-Producing Technologies

2010 Joint Meeting of the Four Societies

17 February 2010

Newcastle - YEP

The Hunter's Role in Australia's Future Energy Mix

Grant Every-Burns - Chief Executive & Managing
